Les figures géométriques

Voici des liens pour t'améliorer dans cette matière :

1

Colorie chaque forme dans la bonne couleur.

Les carrés en **bleu**

Les cercles en **rouge**

Les triangles en **jaune**

Les rectangles en **vert**

2

Colorie les formes géométriques avec la même couleur qu'à la question 1.

⚠ **Attention**, certains dessins sont des **pièges** : ils ressemblent juste aux formes géométriques !
