Exercices

Les figures géométriques

Voici un lien pour t'améliorer dans cette matière :

1

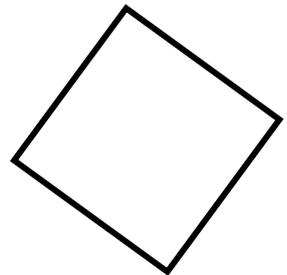

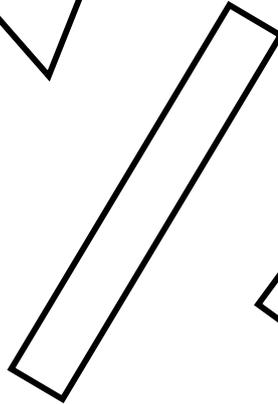

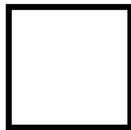

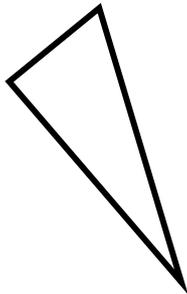

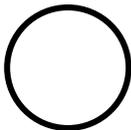

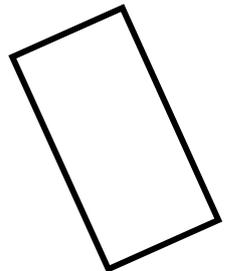

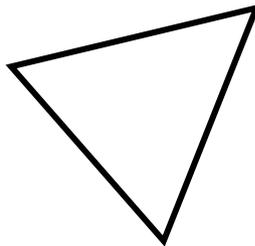

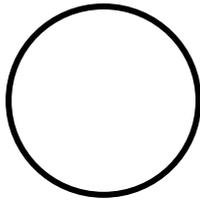

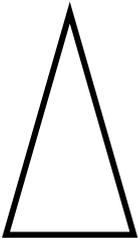

**Colorie** chaque forme dans la bonne couleur.

Les carrés en **bleu**

Les disques en **rouge**

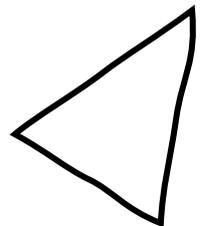

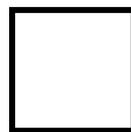

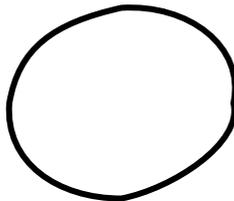

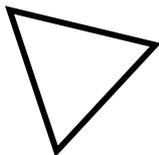

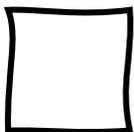

Les triangles en **jaune**

Les rectangles en **vert**

2

**Barre** les 3 formes qui ne sont **pas** un carré, un triangle, un disque ou un rectangle.

Autoévaluation

Ces exercices étaient selon moi :
